MEMBER**

Dear Brother Lyons,

Since 1865, our brothers have experienced good times and bad times. The one constant that has helped sustain us is the bond of brotherhood. As we learned in our chapters, our faith, our friendships, the collective assistance we offer to those less fortunate, and the leadership experiences we shared all better prepared us to deal with these current challenges.

Our hearts go out to those who have dealt with a loss, are facing quarantine, or are feeling any of the effects of this pandemic. We continue to keep them in our thoughts and prayers as we strive to ease the burden for our members. We also commit to remaining vigilant in our efforts to support all our Active Members and alumni alike throughout this crisis.

As a proud and loyal KA, we want you to know that we are working hard to assist our undergraduate brothers in chapters all across the nation by providing the resources they need to feel less disruption. We are providing direction, chapter operational support through virtual means, and free and confidential virtual counseling. We are also working with house corporations, alumni volunteers, and parents to ensure that our men are safe.

Send us a quick note to [social@ka-order.org](mailto:social@ka-order.org) with your address, and **we'll send you a complimentary copy of the most recent edition of *The Kappa Alpha Journal*.** We want your KA membership to be a constant for you during this time. You may also view it at [www.KappaAlphaJournal.com](http://www.KappaAlphaJournal.com).

We encourage each of you to rely on your faith to sustain you and to remain steadfast in your efforts to help our nation, indeed our world, move beyond this upheaval. Remember we are all in this together and that better days do lie ahead.

Fraternally,

**C. Douglas Simmons III**
