Subject: An Update from Zeta Beta Tau Foundation

Dear Brother Lewitt:

As you and the rest of the world are learning day-by-day how to understand and cope with managing the current way of life due to COVID-19, the Zeta Beta Tau Foundation is as well.

We are working closely with the [Fraternity](#) to determine how best to support and assist our brothers. As many colleges and universities have closed campuses, canceled classes and moved to online learning, the Foundation is exploring how we can best utilize our resources to assist the brothers of Zeta Beta Tau Fraternity.

The impact on everyone, including nonprofit organizations, is yet unknown. While this is a challenging time, the Foundation's leadership is steadfast in ensuring we can fulfill our Mission to assist the collegiate and alumni brothers of Zeta Beta Tau Fraternity. We will be in communication as we determine the most impactful course of action for the Foundation.

Our tenets of brotherhood are as strong as ever and we are here to help our Zeta Beta Tau family. Feel free to reach out to us at foundation@zbtfoundation.org.

Thanks for being part of our family. Stay well.
